

THE SEMAHMOO SUN

A PROGRESSIVE NEWSPAPER IN A PROGRESSIVE DISTRICT

Vol. 3, No. 42

White Rock, B. C., Friday, October 24., 1941

\$1.00 per year, 5 cents Single copy

Re-elected

Delta voters cast their ballots as follows:

(36 of 39 Polls)
SHEPHERD (C.C.F.), 4655.
Lalng (L.), 3277.
Hope (C.), 2163.

Delta electors showed their trust in Len Shepherd on Tuesday by casting an unprecedented vote of confidence which swept the C.C.F. contender back to the Legislature for a second term.

Shepherd's total of 4655 votes surprised even his most ardent supporters.

Results of White Rock poll are as follows: Hope, 237; Lalng, 250; Shepherd, 392.

Pro Rec Notes

A special meeting was held on Monday evening in the Legion hall by the committee of the Pro Rec, to discuss the progress of the recently organized Pro Rec classes. The response by the public is very gratifying to the committee, as membership increases at each class night. Pro Rec seems to be something that White Rock people have been waiting for, and the Canadian Legion are to be commended for sponsoring the movement in this district. The number taking part in Monday night's class were 40 women and girls, 21 men and boys, so come along and join a good clean healthy sport, fees are very small and classes are held each Monday and Thursday evenings in the Legion hall, at 8 p.m.

C. R. MORPHY, Director of Licenses under the Wartime Prices and Trade Board. All persons manufacturing, handling or selling foods, feeds, clothing or footwear, must secure a licence before December 1st, 1941.

Municipal Council Votes On Septic Tank By-law

Business at Monday's Council meeting was pretty much a matter of routine. Requests for taking care of water and some graveling loomed up as usual in times of much rain.

The Highway Water Works Local Improvement Proceedings By-law was introduced and given preliminary readings; also the Septic Tank Regulation Amendment By-law; which means that it will be no longer permissible to use wood in the construction of septic tanks.

A communication was received from Mr. John Stanton, Vancouver lawyer, on behalf of Wm. Inglis, stating that the School Board had infringed the conditions of its license in transporting children from various schools to the Peace Arch ceremony at Blaine instead of employing his client, and claiming his client is entitled to compensation.

The Clerk pointed out that under the provisions of the Transportation Act, the Municipal Council was in no way responsible for what had occurred, and that the trouble was a matter for the School Board and the Transportation Board to settle.

A good deal of discussion took place regarding transporting school children; also the matter of chartered buses. It was felt that this whole question should be taken up with the Utilities Commission at Victoria in the near future.

There was some severe censure concerning the matter of the shovel being idle a few days at White Rock owing to bad weather. However, it was pointed out that the shovel had been busy during the interval getting out gravel in needy areas of the municipality; and that it was utterly impossible to predict weather conditions from day to day. In the meantime the Campbell River road is being filled and gravelled as rapidly as possible. The installation of very fine flood lights at the Park Theatre by Mr. Graham is helping the parking problem in this area in a fine way.

On Tuesday, October 21, Dr. W. A. Cameron of Toronto, Secretary to the Board of Missions for the Church in Canada, was a visitor to the John Buchan Memorial congregation.

Rev. A. T. Macintosh, Moderator of the Presbytery of New Westminster, and pastor of the John Buchan Memorial church, conducted the service "The Church of the Air" over CJOR on Sunday, October 19th.

Rev. John McTurk of Richmond church, Vancouver and Moderator of the Synod of British Columbia, exchanged pulpits with Rev. A. T. Macintosh on the 12th inst.

Semahmoo Bay is proving to be a real fishing ground for the sportsman, especially so during the last couple of months. A. E. Allen tried his luck twice lately, the first time landing 20 trout and two very nice salmon, one a ten-pounder. The second trip netted him another good mess of trout and a six-pound salmon, as well as giving him an exciting 20 minutes with a 25-pound salmon.

Saturday last Andy Munro hooked a six-pound salmon from Campbell river.

The W. A. of the United Church have met Wednesday, November 26, as the day for their tea and sale of work in the Church hall. A feature of this sale will be a large assortment of aprons.

COMMUNICATION

The Editor:
Dear Sir:-

I wish to express my deepest thanks, through the columns of your paper, to all those who helped my children and myself during my recent severe illness. To those who submitted to blood tests when I was in need of transfusions, and particularly to the unknown number of the Canadian Legion at New Westminster who donated his blood free of charge for the second and third transfusions I received.

The first transfusion came from a professional donor, as none of those who submitted to a test at that time were the right type.

To all who helped in any way, please accept this expression of appreciation as referring to you personally.

Yours very sincerely,
MRS. H. J. MARSH.

Trade Board Meets

Eleven members were present at the regular meeting of the Board of Trade Tuesday evening. The principal topic of discussion was in regard to the old mill site. The meeting decided to try and have a petition signed by the Indians for the purpose of securing a lease for a park site and in return they would receive certain considerations. Mr. Kallay requested on this matter.

A few facts were given by Mr. Raton Canning on the proposal that a bank should be induced to open a branch here. It was stated that more signatures were needed for this purpose that may not become a fact until after the war.

A letter is to be sent to the council to ask them to provide a suitable box for holding the lifebuoy that has been sent from the Department of Transport.

Before the close of the meeting it was suggested that Rene Brown be asked to attend the next meeting and discuss the Strain drainage and dyking scheme.

Final arrangements are being made again to hold the annual Armistice Day service. All ex-service men are asked to parade, wearing caps and medals. Fall in at 10:30 a.m. at the corner of Victoria and Columbia avenues.

Rev. W. R. Jeffcott will officiate, assisted by Rev. P. Hardy, Rev. Peter Dewar, Rev. J. Macintosh and Rev. W. C. Frank. Service in the Anglican church hall will commence at 10:45 a.m.

Installation of a battery of flood lights on the Park Theatre was completed this week. The lights illuminate Campbell River road for more than two blocks, lighting up the street from the old mill office to Stevens St.

The lights are proving a boon to theatre goers, being especially helpful to automobile drivers looking for parking room.

Sgt. and Mrs. Douglas Metheral, son and daughter-in-law of Mr. and Mrs. D. Metheral, have moved to the home suite of "Veyburn" Victoria avenue. Mr. Metheral is with the Army Postal Corps in Vancouver.

Owing to the small attendance the regular meeting of the Ratepayers association, to have been held Thursday last, has been postponed until Thursday, Nov. 20.

One of Canada's trim corvettes sails out to sea for patrol duty on the Atlantic. Many of these useful craft have been built in the Dominion's shipyards from coast to coast.

Bazaar To Aid Active Service Boys

The Ladies' Auxiliary to the Army & Navy Veterans, Surrey Unit No. 46, White Rock, are holding their first bazaar on Wednesday, November 5, in the Veterans' hall, beginning at 2 p.m. The ladies are offering for sale a choice lot of garments, including dresses for small children, school aprons and grown-ups, as well as an assortment of fancy work and novelties. There will be home cooking, including buns, bread, cakes, cookies, pies and candy. Tea will be served during the afternoon. The sale will continue throughout the day until 8 p.m., when the Veterans will hold forth with the big Klondyke Nite. The public is welcome to both affairs.

The entire proceeds of the bazaar are for the boys in the King's service.

Scouts Seek Leader

Annual meeting of the Boy Scout Council was held in the Masonic hall, Friday evening. Owing to the small attendance the election of officers was postponed until a later date.

It was reported that the boys were very anxious to get started with their winter activities, but as the Scouts now have no leader, owing to the resignation of Rod Downey, the committee has been at a loss for a solution.

As the committee had been unable to enlist a new scout master, Mr. Downey agreed to temporarily carry on as leader, with Mr. J. O. Lee assisting. In the meantime the committee will interview prospects for a new leader.

Regular meeting of the P.T.A. will be held in the United church hall on Wednesday, November 5, at 8 p.m. Mrs. Pattison, newly elected vice president, will conduct the meeting.

Mrs. Jamieson, recently elected president of the association, has been forced, owing to pressure of other work, to resign her position of president.

The P.T.A. tea, to have been held at the home of Mrs. J. O. Lee, has been postponed until early in November, and will be held in the United church hall.

Annual meeting of the Library committee will be held in the Library on Saturday, November 1. All are welcome.

WEDDING

St. Michael's Anglican church was the setting in Vancouver on September 27, for the marriage of Lucille Kathryne, daughter of Mr. and the late Mrs. James Murphy of Holbert, Sask., and the granddaughter of Mrs. Mary Achen of White Rock, to James Mackay, son of Mr. and Mrs. G. Mathews of Vancouver. The ceremony was performed by Rev. Canon G. H. Wilson.

The bride wore a gown of white sheer-voile tulle. Her headpiece was a coronet of stiffened lace which held a shoulder-length veil in place, and she wore an heirloom cameo brooch, her flowers were an arm bouquet of yellow roses, white chrysanthemums and pink carnations.

Miss Florence Grandbois attended the bride, wearing pink dress of crystal sheer with insets of lace at the shoulders. She carried pink and mauve chrysanthemums.

The best man was Mr. Gerald Mackay of Prince Albert, Sask., cousin of the groom.

A reception followed. Mr. and Mrs. Mackay will reside in Vancouver.

Canadian Legion W.A. will sponsor a bus trip to Vancouver on November 8.

WINLOW LICENCE CERTIFICATE

being issued by the Wartime Prices and Trade Board to all persons and firms included in the nationwide licensing plan. A combination of blue and gold, the licence certificate must be placed on the door of a retailing window of the licensee's place of business. Deadline for securing a licence is December 31st, 1941.

L. A. STARCK, Manager

No Fee For This Licence

By Dec. 1, every person in this community dealing in food, feeds, livestock, poultry, yarn, clothing or footwear must obtain a licence from the Wartime Prices and Trade Board. After that time no unlicensed person may handle these commodities.

In White Rock and district from forty to fifty businesses will display the gold and blue certificate showing they have obtained their wartime licence, a facsimile of which is shown elsewhere in this issue.

There is no licence fee. Application forms will be mailed this month to those subject to licence, or if not received may be obtained from the post office, and also copies of the complete licensing order plan.

A number will be given each licensee which he will retain unless cancelled. The first card will expire on March 31, 1942, and another will be received automatically every six months.

There are some exemptions in the cases of individual farmers, gardeners, livestock and poultry producers, unless they buy for resale.

"These licensing requirements are not designed to curtail business operations," pointed out C.R. Morphy, Director of Licensing. "By having every person who in any way handles the commodities named in the Order under the licence, the Board will have the machinery with which to make speedy checks on available stocks and to police more effectively any price fixing order which may be instituted.

BABY PARKING STATIONS

"Baby parking stations" are the latest innovation in war-time Britain, enabling married women with children to report for duty in factories and workshops. The Queen's Canadian Fund's representative in London reports that the stations are being opened throughout industrial districts. Mothers who wish to sign up for factory work may register in their local districts and government representatives will select competent and registered individuals to mind the children.

The plan is attracting hundreds of patriotic British mothers to war industries, releasing men to military tasks.

RAGS SINEWS OF WAR

Rags are vital in wood-working factories making airplane propellers. The painting and varnishing boys of these plants use great quantities of rags, to ensure perfect application of treating coats. Glueing linen tips to these propellers is one of the messy war jobs. Without rags the operators would be helpless.

"It should be clear that rags are sinews of war," commented Mr. Knightley. "Besides cleaning, they are used in plane factories to wrap up engine parts for shipping."

Not is this the end of rag usage

in war time. Wool—in the form of sweaters, socks, etc.—has re-use value. These articles are first graded for quality and sterilized. They are then shredded and spun into yarn. This yarn, mixed with virgin wool is woven into army blankets and clothing. These commodities are noted for their warmth and durability.

A wheel drive will be held Friday, October 24, instead of the 17th as previously planned. To be held in the Pier rooms, at 8 p.m. Proceeds for soldiers' comforts, a large attendance is requested.

On account of the Canadian Legion holding a wheel drive on October 24, the Army & Navy Veterans have postponed their regular bi-monthly wheel drive from that date to Monday, October 27, at 8 p.m., in the Veterans' hall.

PICOBAC
Pipe Tobacco
FOR A MILD, COOL, SMOKE

An electric milking machine is the soundest kind of investment for the dairy farmer. In various ways, an electric milker pays for itself and helps build up the profit account for its owner. Many farmers have increased their lands since installing an electric milker because it enables them to milk more cows with less work, in less time, and at less cost than hand milking. Others use the time they save to do other profitable farm work. Ask your B.C. Electric agricultural representative about electric milking. Allow him to point out its great advantages to you. Ask him to tell you of the hundreds of other Valley farmers who have already installed electric milking. Then install one yourself. Know what it means to milk standing up.

Reg Hanlow has to report for medical examination in Vancouver this week.

Clayton Cunningham, of the R. C. A. F. Detachment, Vancouver, was a week end visitor at the W. T. Hanlow home.

BRITISH COLUMBIA THRIVES BY ITS INDUSTRIES.

With its immense resources of Timber, Minerals, and Foodstuffs, naturally British Columbia has played a major role in Canada's war effort.

For the Basic Industries, 1940 was a highly successful year.

But besides these, we have our Secondary Industries—Manufacturing in all its branches—and these, too, record substantial gains.

In fact, British Columbia finds its industrial returns restored to the level of the banner years of 1928-29.

There is every reason to believe that the cessation of hostilities will bring a lively movement of capital and population to British Columbia, and that the acceleration due to the war will be maintained in peace, and on a solid and lasting basis.

"BUY B.C. PRODUCTS" and help now to make British Columbia an attractive field for new enterprises by supporting and building up those already in existence.

down Nazism—

HOW TO SALVAGE RAGS

Asked what was the best way for the Canadian householder, wanting to do this patriotic job, to cooperate in getting rags to Canada's war industries, Mr. Knightley said:

"All rags collected around the home should be sorted and wrapped in separate parcels. Oil carpets and scrap bagging can also be used. These should be kept apart. When a collection has been made, the householder should phone their local salvage committee, and donate their contribution. The local salvage committee will see that these important articles of modern warfare find their way to the cleaning and reclamation plants, and thence to the various war industries. We really want all the rags we can get."

The Women's Institute are calling for materials of all descriptions suitable for the making of clothing, bedding, etc., to be shipped to England by "V Bundles."

Kindergarten & Nursery School

Start your children on the road to school by enrolling them in the Kindergarten and Nursery School now, under the supervision of Mrs. E. Gillespie.
1897 Victoria avenue.

A romantic drama is presented at the beginning of the week with "I Take This Woman". A clinic doctor saves a girl from suicide and marries her although knowing she is still in love with another.

Also "A Girl, A Guy And A Gob", a comedy. Murphy is a job to set the gals in every port out of their minds. He more than upsets Lucille Ball, daughter of a fancy family, who is being courted by a smug Mr. Prissy. Who gets the fair Lucille will never be told by the likes of us, that's for you to find out and in the finding you'll benefit by some of Hollywood's curtest entertainment.

For the weekend there is "Flight Command". This authentic picture of flyers trained in Government schools of naval aeronautics is awe inspiring and thrilling, and Bob Taylor takes advantage of the best opportunity he's had in years. We cannot recommend it too highly.

Also "Glamour For Sale", this is melodrama. His date from an escort bureau aids an undercover agent to trap and end a blackmailing group's function.

Army and Navy secretary now has his office in the Veterans' hall, and can be contacted there every Friday evening after 7 p.m.

C. W. Anow is once more able
to take charge of his business after
being confined to his home, suffer-
ing from an attack of 'flu.

Miss Joan Hagelow, of the nur-
sing staff, Vancouver General In-
fants' hospital, is home on sick
leave, suffering from the 'flu.

One of the things worthy of men-
tion that took place at the recent
W. L. convention held at Whatecom
was that Mrs. A. A. Shaw, who is
president of the local institution, was
re-elected vice-president of the
South Fraser district board of the
Women's Institute.

The engagement is announced of
Miss Norma Henkelman, daughter
of Mr. and Mrs. E. Henkelman of
Burnaby, to Pte. Ralph H. Burton,
R.C.A.F., eldest son of Mr. and
Mrs. Lambert J. Burton, Washing-
ton avenue. The wedding will take
place in the new year.

On Wednesday, October 29, a sil-
ver tea will be held at the home
of Mrs. Walter Calderbank, Buena
Vista road. The proceeds of this
tea will be sent to Toronto to assist
in the liquidation of the United
church deficit. An invitation is ex-
tended to the ladies of White Rock
to attend.

and for security at home

LEN SHEPHERD,

South Westminster

Mr. and Mrs. Price of Vancouver
are moving to their home on Royal
avenue next week.

W. A. to the Canadian Legion
will nominate 1942 officers on Tues-
day afternoon, November 4.

Mrs. A. MacDonald is visiting
with her parents, Mr. and Mrs.
Belgel, at Surrey Centre.

Mrs. R. Kalley returned home
Thursday from a vacation spent at
Vetaskiwin and Edmonton.

Mr. A. Wahl of Meadow Lake,
Sask., has arrived in White Rock
to spend a vacation with his family.

On account of the bazaar and
carnival to be held on November
5, the Women's Auxiliary to the
Army & Navy have advanced their
regular meeting date to Tuesday,
October 28, instead of November
4 as previously announced.

Displayed in the Semiahmo Sun
window is a sample of almonds,
from the garden of Mr. and Mrs.
Lashley Hall, Columbia avenue.
The tree from which the nuts were
picked is very prolific, proving that
that fruit could well be grown here
as a commercial crop.

Remember to keep Wednesday,
November 6, open for the big Klondyke
Nite to be held in the Army
& Navy hall. All indications point
to a gala evening, with entertain-
ment galore, including professional
entertainers from Vancouver as-
sisted by local talent, as well as
games and contests for everyone.
Two raffles will be drawn for on
this date, one a spoon containing
a real gold nugget from the Klondyke.

Canadian Legion will hold an Ar-
mistice Day smoker in the Pier
Rooms on the evening of Friday,
November 7. An interesting enter-
tainment program is being ar-
ranged with professional entertain-
ers from the Canadian War Ser-
vices, augmented by local talent.
All ex-service men, whether Leg-
ion members or not, and any men
in uniform are invited to attend.

The ladies' rifle club will meet
Wednesday evenings at 7:30 and
Sunday afternoons at 2:30 at the
Legion of Frontiersmen's range on
the Thrift road. Anyone interest-
ed in joining is asked to come to the
range.

the grower, had there been more
sunshine the crop would have
equalled the summer picking.

Mr. and Mrs. W. E. Jennings of
Limerick, Saskatchewan, arrived
last week to make their home in
White Rock. Mr. and Mrs. Jen-
nings are now living on Gordon
avenue.

On Monday evening, November
3, the Pro Rocs will hold open
house for the public. The program,
starting at 8 p.m. in the Pier
Rooms, will include an interesting
display by members, as well as
moving pictures.

Mrs. W. E. Lefroy announces
that the White Rock Hotel will be
closed to the public from Novem-
ber 1 until next season. Mr. Lefroy
has never to take over the new man-
agement of the real estate depart-
ment of the Vancouver Mortgage
Corporation. Mrs. Lefroy will leave
to join Mr. F. Dagnall at the end of
this month.

Mr. and Mrs. P. Dagnall will act
as caretakers of the hotel until the
re-opening next summer.

Mr. and Mrs. Harold Gordon of
Tacoma, Wash., accompanied by
their children, Patricia, Gerry-Ann
and Mackenzie ("Mac"), spent an
enjoyable Thanksgiving week with
Mrs. Gordon's parents, the Mac-
kenzies of "Point View." They re-
tain very pleasant memories of a
vacation here two years ago; the
children still being fascinated with
our beach, even in rain. Mr. Gor-
don, while driving around the neigh-
borhood, was impressed with the
many changes and new homes in
our thriving community; and noted
with appreciation the commence-
ment of road improvements.

Mrs. F. J. MacKenzie is confined
to bed, suffering from 'flu.
